

ROHRER GROUP

3.800 employees, 36 branches in Europe and Middle East tells its own tale! You want to experience how industrial plants are serviced, you want to be part of an international team, gain experience abroad, take over responsibility and all this at exceptional workplaces?

As an established full-service provider for the industry, Rohrer Group is ready for new challenges and therefore ...

*... we are looking
for YOU!*

NEXT LEADERSHIP PROGRAM

You want to experience how industrial plants are serviced, you want to be part of an international team, gain experience abroad, take over responsibility and all this at exceptional workplaces?

We offer an intensive trainee mentoring program (Next Leadership Program), of which the goal is to take over a management position.

TASK:

- getting to know all areas
- application of strategic and operative controlling
- planning and supervising projects during turn-arounds or shutdowns

QUALIFICATION:

- university graduation: industrial engineering, civil engineering, mechanical engineering, petroleum and natural gas engineering, process engineering ...
- internships in the industrial sector
- excellent language skills in German and English
- extensive computer skills

PERSONAL SKILLS:

- technical understanding
- leadership skills
- organisational talent
- structured and consistent way of working
- solution-oriented behavior
- willingness to travel (B driving licence)
- intercultural awareness

BENEFITS:

- Next Leadership Training Program
- an exceptional working environment in a highly specialised industry
- flexibility of a family business with the security of a concern
- working in one of the top 500 companies in Austria under the leadership of the EY Entrepreneur of the Year 2016
- final takeover of a management position
